Economic Development Website Award

By Master site admin

Published: 09/27/2007 - 9:39am

The Longview Economic Development Corporation (LEDSCO) was recently notified by the Economic Development Directory that their website: www.longviewusa.com has been selected for recommendation to site selection consultants, corporate real estate asset managers, and commercial developers accross the country because the LEDSCO website is designed to provide the kind of information that they need to aid in the site selection process.

Phillip O' Keefe with the Economic Development Directory declares, "This website, www.longviewusa.com is certified because it contains development information organized for the requirements of site selection consultants, real estate departments and business people - Congratulations, Longview."
